Liberty merchants say they are well-prepared for the upcoming state and local sales tax holiday that begins at 12:01 a.m. on Friday. The holiday will last through Sunday and gives shoppers a chance to avoid paying sales tax on clothes and shoes priced less than \$100 dollars. Though the sales tax holiday was created with back-to-school shoppers in mind, items such as school supplies and backpacks are not tax-exempt. Several merchants, such as Baskin's on Main in Liberty and Palais Royal in the North Main Shopping Center, have extended hours and increased staff to handle an expected 15 percent increase in sales. To find out what items will be tax-exempt and which ones will not, call 1-800-252-5555.

Starting Saturday, calls dialed to the Liberty-Dayton area using the old 409 area code will not be go through. Instead, those attempting to call will get an intercept message that tells them to use the new 936 area code for the Liberty and Dayton areas. The old 409 code has been split three ways. The 936 code is used for what was the central portion of the 409 code. If you have questions about the split, a complete list of which prefixes are affected is available by logging onto www.libertytx.com.

According to Liberty High School Cheerleader sponsor Barbara Luna, LHS cheerleaders won numerous awards at the National Cheerleaders Association Cheer Camp at the University of Houston this weekend. Four of the 24 girls who competed for LHS were named All-American. The All-Americans are Kayla Chaumont, Molly Eastman, Jennifer Dearmore, and Stephanie Cryer. Competing against 13 other teams, the LHS Junior Varsity and Varsity squads combined to form one squad and won four team awards.

Dayton Bronco season ticket holders will have a chance to renew their season tickets from Monday, Aug. 14th - Friday, Aug. 18th at the Dayton Independent School District Administration Building on Highway 90 in Dayton. There will be six Bronco home games this season and packages cost \$24.
